

## SALES AND USE TAX CONSULTING

**SALES AND USE TAXES DIRECTLY IMPACT** your company's bottom line and earnings per share. In fact, most companies are actually overpaying various taxing jurisdictions. First Advantage can help you proactively manage your sales and use tax strategy to help your company potentially save money, reduce audit risk, and focus internal resources on your core business functions.

### ■ REDUCE COSTLY ERRORS

First Advantage understands the complexities of sales and use taxes. We'll help you streamline your current process to ensure that you are in compliance and meeting all filing deadlines. With First Advantage, you won't need to add and train additional staff or overburden your current workforce.

### ■ EXPERIENCED PROFESSIONALS

First Advantage tax professionals leverage their sales and use tax experience to help your company. You'll have access to a team with experience in state government negotiations as well as sales and use tax management for Fortune® 500 companies. These professionals can help you recover lost taxes, reduce costly errors, explain how regulations and rates affect your business, and implement processes and systems based on best practices.

### ■ TIMELY INFORMATION

Our team keeps on top of the ever-changing tax regulations and rates and will keep you informed.

As your company grows, you can leverage First Advantage's knowledge and understanding of tax laws and legal precedents in the more than 11,500 taxing jurisdictions to further increase tax savings and profits.
