

North Carolina Tax Credit Program

WHAT ARE NORTH CAROLINA TAX CREDITS?

- > The State of North Carolina provides various incentives to encourage new business and the growth of existing businesses in the State. Included in these incentives, are tax credits granted under the William S. Lee legislation as well as more recently-enacted incentives such as the Technology Commercialization Credit and Credit for Major Computer Manufacturing Facilities.

WHAT DO THEY MEAN FOR MY COMPANY?

- > If your company has created new jobs, invested in machinery or equipment, conducts research and development, trains its employees, and various other qualifying activities, this can represent a substantial tax savings to impact your bottom line.

HOW DOES FIRST ADVANTAGE TAX CONSULTING SERVICES ESTIMATE AND CAPTURE YOUR POTENTIAL TAX BENEFIT?

- > We are experts at identifying and calculating employment and investment-related tax credits. Our tax department brings respected experience from top accounting firms, industry, and government. Utilizing tax laws unique to the State of North Carolina, we can efficiently estimate your potential annual tax credits and customize an implementation plan to capture these credits to meet state statutory and administrative requirements.

WHAT DOES FIRST ADVANTAGE TAX CONSULTING SERVICES NEED FROM YOU?

- > Our professional tax team will work closely with you to collect necessary data to support eligible jobs, investment, training, etc. to claim all credits available to your company. We will monitor the eligible components to see if your company is staying on track to continue the credits, and identify the many potential pitfalls that taxpayers encounter in obtaining these credits.
