Colorado Credit Search Fee Increase

The major National Credit Bureaus instituted a \$.50 fee in order to offset the cost of sending a copy of the credit report to applicants who reside in Colorado. This is to comply with Colorado statutes Senate Bill 97-133. Effective immediately this \$.50 fee will be added to any Credit Search that is ordered from the State of Colorado

The fee increase is a pass through cost, which is a portion of your current pricing, driven by state mandated fees beyond the control of First Advantage. This fee does not include the services of First Advantage.
