

Service UPDATE

Colorado MVR delays

The Colorado State Department of Motor Vehicles is experiencing a problem with their MVR database. This problem has delayed processing of any MVR requests submitted to Colorado. The Colorado DMV has not provided us with an ETA for correcting the problem, however we will begin processing these MVR's as soon as the system is operational.

We apologize for any inconvenience this may cause.

If you have any questions regarding this message, please contact your account executive or Client Services at 800.321.4473, ext. 8 -- we'll be happy to assist. Thanks for your business!
