Georgia MVR Bulk Certificate

The state of Georgia has instituted a Bulk Certificate compliance form that is now required of our clients on a yearly basis to order MVR's. If you are ordering MVR's from Georgia and have not filled out the new form, contact Client Services for assistance to prevent delays in ordering your MVR's.

Regulatory Update: DOT Drug and Alcohol Testing, HIPAA and SAP Services

Whether you administer a DOT-regulated program or model your program after federal standards, you won't want to miss the first in our new series of web-based seminars. In this hour long, information packed session, our resident experts will bring you up-to-date on current developments in DOT-mandated drug testing, including new federal guidance on dilute and substituted urine specimens, the impact of HIPAA on employment drug testing, as well as the anticipated new MIS statistical reporting format. Additionally, we'll update you on the Substance Abuse Professional (SAP) process and the certification requirements that must be completed by year-end.

To register go to the HireCheck home page (www.hirecheck.com) and select the Client Web Seminar link.
