DOC Criminal History Searches are no longer available in Louisiana

Louisiana Department of Corrections (DOC) no longer allows third party criminal history searches of their records. This change means any pending search that HireCheck has in its system will be cancelled and a credit issued to your account. We regret that the Warden for the Louisiana DOC has made this decision. We do however; currently offer Felony and Misdemeanor criminal history record searches on a county-by-county level (where available). We apologize for any inconvenience this may cause you.
