

## **Network Maintenance Outage**

First Advantage will be performing network and database maintenance the weekend of Saturday, June 5 from 12PM (noon) EDT to Monday, June 7 at 5 AM EDT. The network will be unavailable during this maintenance schedule. This includes Web services and all other ordering and results retrieval methods. Should our network need additional maintenance we will also have an outage from Friday, June 11 from 9 PM EDT to Monday, June 14 at 5 AM EDT. If this second maintenance outage is necessary we will post a broadcast message on June 7 to notify you of the decision to go forward with the second weekend outage. In both cases we will return the service as quickly as possible if the full down time is not required.

We apologize for the inconvenience this may cause.
