### **New statewide criminal release form for the state of New Hampshire**

Effective September 8, 2003 the New Hampshire State Police requires a new release form to order statewide criminal histories. To update your release form go to the HireCheck Web tool under release forms or to the resource section of the HireCheck Web site to download the new form. By using the new form you will avoid any delays in processing your New Hampshire Statewide Criminal searches. If you do not have access to the World Wide Web, contact HireCheck's Client Services to receive a copy of the form.
