

## Web Tool Cosmetic Changes

On Thursday December 18, 2003 you will notice a cosmetic change to the HireCheck Web tool. The HireCheck Web tool will now be called “*ScreenApp*” and will still have all of the features and functionality you have come to expect. A new look for the Web tool is in production that will fit into our overall branding efforts to move to First Advantage Employment Screening Services Division. We hope you enjoy the new look and feel of *ScreenApp*.

HireCheck is also going to be providing you with a new Web site in the very near future. This Web site will also carry the branding of First Advantage however; the content that we currently provide will be the same. You will still be able to view our products and services, compliance assistance as well as download release forms. If you would like to view the new site now, go to [www.fadv.com/hirecheck](http://www.fadv.com/hirecheck). When we release the new web site you will be automatically redirected to it.

If you have comments about *ScreenApp* or the new Web site we would love to hear from you! Please take a moment to complete our online survey that you will find on the main page of our new site or contact us.

*If you have any questions regarding this message, please contact your account executive or Client Services at 800.321.4473, ext. 8 -- we'll be happy to assist. Thanks for your business!*
